

Client:
Private

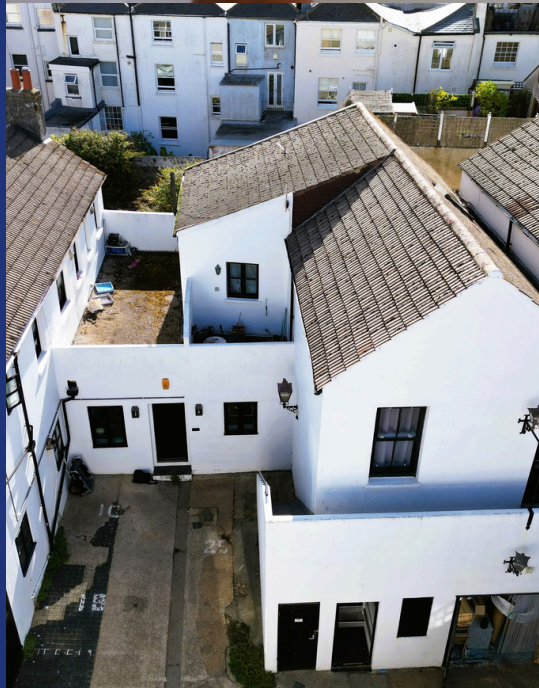

Project Summary:
Focus Consulting was instructed to undertake a Building Survey in connection with the proposed leasehold interest in the commercial unit.

The inspection covered the accessible external and internal areas of the property, including the roofs, external elevations, internal accommodation and accessible services. A drone was also used to assist with the inspection of the roofs and higher areas.

Services:
Building Surveying,
Commercial Building
Surveys, Due Diligence
Reports, Drone Surveys,
Property Acquisition Advice

Date:
2026

PDS No:
103
